Conservation

► **Amanda Way Trail Clean-up Day**

Many thanks to Eric and Alethia Jablonowski of [Nor-Cal Tree Experts](#) and their hard-working crew of 3 sawyers, for a huge boost to wildfire prevention here in Mineral by donating a day of tree cutting and fire-fuel removal services to Mineral on June 18th. We also owe a debt of gratitude to the other 23 community members who made the event possible with planning, loans, donations, and sweat equity. Also, special thanks go to Jan Becker and Jim Richardson, who heads up Mineral's Firewise Council, for coordinating. [Get the full story and a link to the photo album here.](#)

► **Advocate for the Multi-Use Path**

[On the Paths page, find a sample letter you can customize](#) and send to say "Yes, I want the new path in Mineral!" Also find the new Fact Sheet. Tamy Quigley from CalTrans will be hosting events for community feedback. Thanks to Pam for coordinating this local effort.

► **Hundreds of Pounds of Catalogs!**

Gary Mott reports that Mineral contributes hundreds of pounds of catalogs to the recycling bins each year. Help stanch the waste stream by cancelling catalogs you don't wish to receive.

Preservation

► **Sewer Arterials Inspections Needed**

It is estimated that half of Mineral's homes are still pending sewer arterial inspection; videos and statements from plumbers are due to Speero (385-1462 x3025) by Aug. 30th. Check [here for plumbers offering Mineral specials.](#)

► **Sewer Improvement Meeting**

Join the [July 5th meeting](#) at the Mount Lassen Conference Grounds to discuss improvements and repairs to the sewer system and treatment plant, as well as a new rate case. While you're there, say hello to Lee and Julie Miller, who have recently returned to Mineral to manage the camp. They lived here in the early 1990s.

► **Time to Check Chimneys**
